**SPOUSE EMPLOYMENT PREFERENCE:** In compliance with Executive Order 12568, this announcement provides employment preference for military spouses applying for NAF positions at pay levels NF-3 and below, or equivalent hourly rate positions, for which the spouse eligible applies and is fully qualified.

The time period of eligibility begins thirty (30) days before the military sponsor's reporting date, and continues during the entire tour or until acceptance or declination of a position (NAF OR APF) at the grade for which preference has been requested. Refusal by the spouse to participate in established recruitment procedures (i.e., interview, etc.) is considered a declination. Preference is also terminated on placement into any continuing position (positions expecting to continue for at least 1 year), whether or not preference was applied.

A spouse eligible for preference must request consideration at the time DA Form 3433 (application for NAF employment) is submitted to the Civilian Personnel Advisory Center, NAF Division. Eligibility will be verified by the sponsor's PCS orders. If the spouse's name is not on the sponsor's PCS orders, a marriage certificate is also required.

A military spouse employment preference applies towards all external recruitments. Spouse preference does not apply for noncompetitive placements.

**INVOLUNTARILY SEPARATED MILITARY MEMBERS (ISM) PREFERENCE:** In compliance with AR 215-3, certain members of the Armed Services who were involuntarily separated from active duty with an honorable or general under honorable conditions discharge are entitled to preference in hiring for a period of 1 year after separation. ISMP also applies to certain voluntarily separated members of the Armed Forces. This preference also applies to their dependents.

Preference applies to all pay band positions NF-3 and below, and all FWS and CC positions for which the ISMP eligible applies and is qualified. The preference must be claimed at the time of application. ISMP does not apply to non-competitive placement actions.

An individual is entitled to this preference in hiring only one time. The preference is terminated upon placement in, or declination of, a NAF position for which application was made.

Eligibility for preference will be verified by applicable military and civilian identification cards bearing the over stamp Transition Assistance (TA). Since the circumstances under which a military member or dependent may attain eligibility are quite broad, the CPAC/NAF-CPU should refer questions to the appropriate military personnel authority.

**MILITARY PERSONNEL VOLUNTARY SEPARATION INCENTIVE (VSI) OR SPECIAL SEPARATION BONUS (SSB) PREFERENCE:** In compliance with P.L. 102-484, active duty or full-time National Guard members who receive VSI or SSB separations are entitled to preference in hiring for NAF positions at pay levels NF-3 and below, or equivalent hourly rate positions, for which the VSI or SSB applies and is fully qualified.

Individuals can only receive this preference in hiring once. VSI or SSB preference is terminated upon placement in or declination of (whichever occurs first) a NAF position for which application is made.

The VSI or SSB eligible for preference must request consideration at the time DA Form 3433 (application for NAF employment) is submitted to the Civilian Personnel Advisory Center, NAF Division. A copy of DD 214, or DD 1173 (ID card with TA overstamp) will verify eligibility.

Active duty or full-time National Guard members who separate from the Military Services under the VSI or SSB programs after September 30, 1994, and are rehired in a civilian position of the Department of Defense within 180 days of separation from the Department of Defense, shall have the VSI or SSB separation payments recouped.

VSI or SSB preference applies towards all external recruitments. This preference does not apply for noncompetitive placements.
